**Premiums Offered by Kentucky State Fair\$51,161.00
Plus over \$1,000 in awards**

1. The Kentucky State Fair 4-H/FFA Youth Livestock Show provides a competitive arena for 4-H and FFA members. Classroom and project work provides a backdrop for these two youth programs to incorporate adult/youth cooperation, development of mental skills and learn by doing as a part of their educational process.
2. All exhibitors in the 4-H/FFA Livestock Show at the Kentucky State Fair must follow the guidelines of the SHOW RING CODE OF ETHICS. See pages 11-13.
3. To be eligible to participate in the 4-H/FFA Youth Livestock Show at the Kentucky State Fair, an exhibitor must be a current member of either Kentucky 4-H or FFA. All entries must be a part of the exhibitor's current project and the County Extension Agent or Teacher of Agriculture supervising the project must sign the entry form attesting to the eligibility of the entry.
4. To participate in State 4-H activities, a person must comply with State 4-H membership policy. Membership begins when a child is age 9 or in the fourth grade as of January 1 of the current year. Membership eligibility ends December 31 of the calendar year in which a member attains the age of 19.

To participate in State FFA activities, a person must be a member in good standing of the Kentucky Association FFA and be carrying approved occupational experience programs under the supervision of teachers of agriculture.

5. Entries in the 4-H/FFA Youth Livestock show must be postmarked no later than July 10. **NO LATE ENTRIES WILL BE ACCEPTED IN THE 4-H/FFA YOUTH SHOW.** Each exhibitor must use a separate entry form. A social security or federal tax I.D. number is required for each exhibitor.

To enter online, go to www.kystatefair.org. Complete information must be provided. For online entries ONLY, the Kentucky State Fair Entry Department will verify that youth for corresponding entries are eligible to participate in the 4-H/FFA Youth Livestock Show. The County Extension Agent or Teacher of Agriculture from the County 4-H or FFA listed will be contacted by the Kentucky State Fair Entry Department.

6. The following entry fees will be required: Dairy and Breeding Beef Cattle - \$6.00 per head; Market Steers and Market Heifers - \$10.00 (DNA fee included); Market Sheep, Market Hogs, and Market Goats - \$8.00 (DNA fee included). 7. To be eligible to compete at the Kentucky State Fair, all 4-H/FFA market steers, market heifers, market lambs, market hogs and market goats must compete in one of the pre-Fair District Shows or Kentucky Junior Livestock Expos sponsored by Kentucky Department of Agriculture, Division of Show and Fair Promotion. Qualifying shows are subject to Kentucky Department of Agriculture and 4-H and FFA guidelines. Novice exhibitors of market animals are not required to attend a qualifying show to be eligible to compete at the Kentucky State Fair. **The Kentucky Farm Bureau Beef Expo is not a qualifying show.**

Youth market hog exhibitors whose animals originate from and are raised and maintained within a closed swine herd shall be exempted from the qualifying show rule provided the following conditions are met:

1. The youth exhibitor or their parents or legal guardians currently operate a legitimate, closed swine herd. [NOTE: A closed swine herd is one in which, due to herd health considerations, off-site animals are not allowed into the herd, and one in which animals that have been transported off-site are not allowed to return to the herd.]
2. The youth exhibitor's market hogs originate from and are raised and maintained as a part of the closed swine herd.
3. Youth exhibitors that are exempted from the qualifying show rule may still participate in any KDA-sponsored swine show or the Kentucky State Fair. For example, any KUIP tagged market hog that is removed from a closed swine herd and shown at a KDA-sponsored swine show is ineligible to participate in another KDA-sponsored show or the Kentucky State Fair.
4. Youth exhibitors requesting exemption from the qualifying show rule must contact Zach Bartenslager by July 10 for a Qualifying Show Rule Exemption Request Form, which must be signed and returned to Zach Bartenslager indicating the conditions listed above are applicable and will be met.

8. Youth must show their own animals in the 4-H/FFA Youth Livestock Show. In the event of illness or other incapacity of the exhibitor excluding sporting events and extracurricular activities at school, the youth may ask another youth to show the animal, subject to prior written approval of Kentucky State Fair management.
9. **If an exhibitor has more than one animal in a class or in the Championship Drive, they must use a substitute showperson that has entries in the Kentucky State Fair 4-H/FFA Youth Livestock Shows of the same species. This substitute showperson must be from Kentucky and must be declared with the superintendent prior to the start of the show, Division Drive and/or Championship Drive.**
10. **Using coloring agents to alter the natural color of an animal is prohibited.**
11. It is the intent of the Kentucky State Fair Board that the 4-H/FFA youth exhibitors involved in the youth livestock shows take responsibility for caring and grooming his/her own animals. If assistance is needed it should be aimed at helping the youth learn new skills and can be done by a family member, extension agent, agriculture teacher, 4-H leader, another Kentucky 4-H/FFA member or an approved assisting adult* that has registered with the Kentucky State Fair. Rather than restrict assistance to youth exhibitors, the Kentucky State Fair Board believes that it is in the best interest for the Fair and youth exhibitors to allow these adults the opportunity to assist any Kentucky 4-H/FFA Youth Livestock exhibitor. Youth exhibitors should be encouraged to receive assistance from fellow Kentucky 4-H or FFA exhibitors.

***4-H/FFA youth exhibitors that require the assistance of another adult will need to request a form from the Kentucky State Fair Entry Department and have it returned no later than August 4th for approval by Fair management. This form can be found on our website or you may contact the Entry Department to request a copy. All approved adults will need to come to the West Wing Livestock Office during the Fair to receive their wristbands. (Note: Approved adults assisting youth market goat exhibitors will pick-up wristbands in Broadbent Arena.)**

12. Livestock entered in the 4-H/FFA Youth Livestock Show may be entered in the Kentucky State Fair open classes by complying with open class rules and regulations. Entries in the open class must be postmarked by July 10 and be accompanied by the entry fees. Animals entered in open classes must remain on the fairgrounds until released by the department superintendent.
13. DNA samples will be obtained at the Kentucky State Fair for testing and comparison from the following market steers, market heifers, market lambs, market hogs and market goats: Grand and Reserve Grand Champions, all class winning animals, and any other market animals at the discretion of the respective superintendent. If DNA samples from market animals obtained at the Kentucky State Fair do not match those collected from the animal during the validation process, the exhibitor will forfeit premiums from all animals entered in the 4-H/FFA Youth Livestock Shows at the Kentucky State Fair and the exhibitor will be banned for life from participation in all 4-H/FFA Youth Livestock Shows at the Kentucky State Fair.
14. **All Top 5 animals of each species will have mandatory drug testing and DNA sampling at the conclusion of the Drive. Random animals may also be selected for drug testing and DNA sampling. For additional rules and information please refer to the national code of show ring ethics in the general rules starting on page 11.**
15. **All Grand and Reserve Champion Market animals will be processed and the carcasses and hide of each animal will be inspected and evaluated for tampering. This would include but is not limited to inspection sites that do not conform to typical animal husbandry practices. Any animal with an abnormal carcass or hide due to the injection of air or any other substance in order to altar the conformation or appearance of an animal may be subject to disqualification including loss of premiums, prizes, and awards received. Exhibitors may also be banned from future competition and/or prosecuted pursuant to KRS 246.420.**
16. All exhibitors in the 4-H/FFA Livestock Show must comply with the general rules, rules pertaining to livestock, show ring code of ethics and health regulations of the Kentucky State Fair.

21. **Ownership of registered animals: 4-H /FFA:**

22. If there is any question as to the date of registration, a letter must be provided from the National Breed Association office stating the application for registration or transfer was received by the breed office by June 1 of the current year. General Rules:

1. All animals must be deemed eligible for the Championship Drive through their respective species show. Eligible animals must follow all rules and regulations for their respective species shows and General Rules found starting on page 297.
 - a. Eligible animals:
 - Beef Market Animals - Breed Champions and Reserves, Crossbred Champion and Reserve
 - Market Lambs - Breed Champions and Reserves, Crossbred Champion and Reserve
 - Market Hogs - Breed Champions and Reserves, Crossbred Champion and Reserve
 - Market Goat - Division Champions and Reserves
2. All division and breed champions must be present at the Champion Drive. If an eligible animal is not presented, the exhibitor forfeits all premiums and any other animal presented by the exhibitor will not be eligible for the Champion Drive.
3. An exhibitor is eligible to win more than one placing in any/or all species. If an exhibitor is awarded multiple Grand or Reserve Champions only one Champion premium will be awarded. Exhibitor with multiple animals awarded Grand or Reserve Champions will receive the larger of the multiple premiums. Additional Champion(s) will still receive class winner and division premiums (if applicable). 50% of the un-awarded premiums allocated will then be awarded to the next animal in line and the remaining 50% will spread through all class winners of that specie. **Any animal that is selected as Grand or Reserve Grand Champion, as well as, any animal that receives premiums will be harvested.**
4. If a Grand Champion animal's premium is not awarded due to the exhibitor having multiple champions (see Rule #3), the total of that premium will go to the Reserve Champion animal. The premiums allocated to the Reserve Grand Champion animal will be divided: 50% will be awarded to the 3rd Overall and 50% to the class winners of that specie. The selected Grand Champion animal will be harvested, premiums will be provided: this includes class winner, division winner (if applicable), and \$1,000 of the un-awarded 3rd Overall premiums. In this scenario, the selected Grand Champion, Reserve Grand Champion, and the 3rd Overall will be harvested.

If a Reserve Grand Champion animal's premium is not awarded due to the exhibitor having multiple Champions (see Rule #3), 50% of the premiums allocated for Reserve Champion will be awarded to the 3rd Overall and 50% to the class winners of that specie. The selected Reserve Grand Champion will be harvested, premiums will be provided: this includes class winner, division

winner (if applicable), and \$1,000 of the un-awarded 3rd Overall premiums. In this scenario, the selected Grand Champion, Reserve Grand Champion and the 3rd Overall will be harvested.

If a Grand and Reserve Grand Champion animal's premium is not awarded due to exhibitors having multiple Champions (See Rule #3), 50% of the premiums allocated for the Grand Champion will be awarded to the 3rd Overall and 50% to the class winners of that specie. For the premiums allocated for the Reserve Grand Champion, 50% will be awarded to the 4th Overall and the remaining 50% will remain with the Grand Drive Foundation for further use. The selected Grand Champions will be awarded premiums for class winners, division winner (if applicable), and \$1,000 of the un-awarded 3rd Overall premiums. The selected Reserve Grand Champion will be awarded premiums for class winners, division winner (if applicable), and \$750 of the un-awarded 4th Overall premiums. In this scenario, the selected Grand Champion, Reserve Grand Champion, 3rd Overall and the 4th Overall will be harvested.
