3. 4-H dog entries should be made electronically by July 10, the Animal Science deadline. No late registrations will be granted. (Agents please note that the description line of the entry should be the dog's name and breed.)

4. A registration fee of \$15 per exhibitor is required to help offset costs associated with the dog show. This fee is due to fourteen days prior to the show. Checks can be made to the Kentucky 4-H Foundation and mailed to University of Kentucky c/o KY 4-H Dog Program, 212 Scovell Hall, Lexington, KY 40546.

NOTE THAT THESE RULES ARE ALL IN THE KY 4-H DOG PROGRAM RULE BOOK AND GUIDE. EACH MEMBER IS RESPONSIBILITY FOR READING THE ENTIRE GUIDE PRIOR TO THE DOG SHOW.

Competition Rules

1. 4-H members who are enrolled in a county 4-H dog club/group and who have completed 6 hours of education between September 1 and the date of the state event are eligible to participate in that event. Note: A county must have a certified dog volunteer leader to have a county dog club/group. For additional information see the Kentucky 4-H Dog Volunteer Certification Program Guidelines..

2. The dog club member must do all grooming and training associated with their project animals. Members are responsible for 100 percent of the care, feeding and safety of their dogs while the dogs are on the event grounds. Parents or leaders are not allowed to assist with the preparation of the dog before any competitions.

3. Youth with special needs (physical, learning, etc.) may request special accommodations by indicating their need on the entry form. The show superintendent will work closely with the member's county/state 4-H office to ensure that proper arrangements are made. A member requiring assistance may receive help from another 4-H member. If another 4-H member isn't available an approved leader, instructor, or judge may be asked (respectively).

4. While at a 4-H Dog Program event, members must always maintain control of their dogs. All dogs must be on a leash or crated, unless participating in a class that requires the dog to be off leash. Dogs must not be taken outside of the immediate area of the show except for curbing and light exercise. In addition to being a good safety rule, crating dogs between classes gives the animals a rest period. Any dog running free will be impounded and removed from the grounds.

5. The 4-H'er is responsible for appearing at the ring when their class is called. If 4-H'er does not appear in the ring by conclusion of class the 4-H'er may not be able to participate in that class and will be ineligible for champion for that class. The 4-H'er or their declared club leader (if youth is in a ring) is responsible for informing class steward of conflicts.

6. Training and Disciplining in the Ring. The judge will not permit any handler to use excessive verbal commands, to move toward the dog to correct it, or to practice any exercise in the ring while competing. Any exhibitor who does so may be excused and will receive a non-qualifying (NQ) score for that class. Note: at judges' discretion, a 4-H member may re-attempt an exercise for learning purposes (for example, if a dog eliminates in the ring, the judge may allow the 4-H member to re-attempt the exercise and continue with further un-attempted exercises for learning purposes, however, the 4-H member will receive a no score/NQ).

7. Adults are not allowed to enter the ring or direct from the sidelines during the show.

8. Declared Club Leaders for State 4-H Dog Show: Certified dog volunteer

In the event that a county only has one certified dog volunteer leader, the certified dog volunteer leader may identify additional adult leaders/chaperones if desired (maintaining a ratio of an additional adult for every ten 4-H members) All adult leaders/chaperones declared must complete the Volunteers/Leaders expectations defined on page 2 of the Kentucky 4-H Dog Program Rule Book and Guide. Parents, guardians, and leaders may not approach a judge before or after completion of a class. Concerns, comments, and complaints shall be directed to the show chairperson. After a warning is issued, violation of this rule will result in a parent, guardian, or leader being asked to leave the ring area for the remainder of the show.

11. Moderate practicing and warm up of dogs shall be permitted but not near the rings except in identified areas.

If an exhibitor brings food, treats, or toys into the competition arena, they must leave all items with the steward prior to entering the show ring. Exhibitors with food, treats, or toys in their hands or on their person while in the show ring during obedience and rally classes are subject to disqualification. Treats can be used in the agility ring but the dog will receive a white ribbon for his/her performance.

2. Dog aggression results in a disqualification from the subject class (if applicable) and at the direction of the members of the Dog Agent Advisory Committee that are present at the event. Dogs who are dismissed due to dog aggression must be placed in a dog crate for the remainder of the show or be removed from the grounds.

3. In 4-H shows, dogs that foul the ring are allowed to complete the class and be scored, but their score sheet is marked "NP-fouled ring" for "non-placement" and will be automatically be awarded a white Danish ribbon.

4. Classes may be cancelled, combined, or subdivided by the show committee, if number of entries warrant. Preliminary eliminations may be used to reduce large class size.

5. In order to qualify to be a grand or reserve champion, you must receive a blue ribbon.

6. Questions concerning rules should be referred immediately to the show superintendent. The superintendent may consult with committee members or judge(s) and make an on the spot decision, which must be accepted as final.

7. 4-H Judges:

- a. Judges for 4-H dog events should be familiar with the 4-H

show rules for the classes which they will be asked to judge. This should include having an example copy of the score sheets they will be using before the show.

b. Judges should not show partiality for purebred dogs or All-American (mixed breed) dogs.

c. Judges must not be familiar with 4-H exhibitors they are to judge. This includes training a 4-H member in class (with or without their project dog), being a club member with a 4-H exhibitor anytime within the past 5 years of show date, owning or leasing a dog with the 4-H member or a member of their family.

d. If judges are recent 4-H graduates (within the past 5 years), they should preferably be from another state or at least another county.

e. Judges should be informed to write constructive comments on score sheets. If time allows, judges, at their discretion, can meet with individual exhibitors to discuss strengths and weaknesses.

f. Judges should judge according to the requirements of the class. Each dog/handler team should be judged in the same way.

g. Judges should not disclose any score to anyone but the show committee (and only on a need to know basis) before a class is completed. Announcements of scores at the end of a class are at the judge's discretion, but judges should keep in mind the sensitivity of scores to some exhibitors.

h. Judges are in control of their ring from the time that a class starts until its completion.

i. Judges decisions are final in all scoring and judging of a class. All other matters are to be decided by the show committee.

j. Judges should give commands and or signals in a clear and understandable manner.

k. Re-judging. If a dog, in the judge's opinion, had its performance prejudiced by peculiar and unusual circumstances, the judge may re-judge the dog on that particular exercise.

a. If the judge finds it necessary to re-judge a dog(s) from a group exercise, the dog(s) should be re-judged immediately following the group or as soon as possible thereafter.

b. The judge may ask for volunteer dogs, which will not be competing, in order to fill the ring.

l. Judges should not enter into discussion with any exhibitor (including parent, guardian, and friend of exhibitor) who appears to be dissatisfied with the judging/scoring or his/her class. Such an exhibitor should be directed to the Show Committee, who will examine the problem and approach the judge, if necessary. This also applies to mathematical errors.

m. A judge who is aware of any assistance, interference or attempts to control a dog from outside the ring must act promptly to stop such double handling or interference and shall penalize the dog substantially. If in the judge's opinion the circumstances warrant the dog shall be given a score of zero for an obedience exercise. In Showmanship, the members will receive a substantial deduction.

n. Judges should remember that 4-H should be a positive learning experience. The judge must remember that a 4-H show is an opportunity for a 4-H member to learn "how to make his best better, the next time." Judges should offer encouragement and advice, in addition to placements and scores.

o. Judges shall have some form of ribbon or tag identifying them as a judge to the members.

8. Placements/Awards/Judging

a. Judge's decisions are final.

b. Scoresheets for agility, rally, and obedience classes will be handed out at the conclusion of each class once scores have been recorded. All questions regarding a judge's placements or scores should be made to the Show Committee within 30 minutes of scoresheets being distributed.

- c. Scoresheets for each showmanship class will be handed out at the conclusion of each class once scores have been recorded. All questions regarding a judge's placements or scores should be made to the Show Committee prior to the Best Overall Handler judging for the division.
- d. Under no circumstances should a judge be approached by an exhibitor, parent, or guardian in regard to questioning a placement or score of a given class. Such problems or concerns should be brought to the Show Committee.

Rules- In addition to all of the General Rules:

1. Purpose: To demonstrate the 4-H member's ability to show his/her project dog to the best of their ability, as if they were presenting their dog in the conformation ring at a breed association show. The member must be able to show off the dog's best points, while minimizing faults, demonstrate knowledge of proper ring procedure, and the proper way to present a dog for examination by a judge. In no way should the dog's conformation be considered when scoring an exhibitor.
2. Acceptable patterns include:
 - a. All divisions: "around the ring" or the "O", the "I" or "up and back", the triangle
 - b. Novice, Open, Masters: the "L", the "T",
 - c. Masters Only: The down and back with 2 dogs gaiting side by side.
 (Please see gaiting patterns outlined in the next section of this manual for explanations)
 In the "up and back" patterns, handlers may choose to either turn towards their dog or away from their dog, as long as the movement is done smoothly and efficiently.
3. Courtesy turns may be done at the start of a gaiting pattern and are encouraged.
4. Dogs should be stacked or posed as their breed would in conformation events. Mixed breed dogs should be presented as closely to the breed that they most resemble.
5. "Baiting", offering a dog a treat for desirable behavior is acceptable in Fitting and Showmanship as long as it does not interfere with other dogs in the class. Baiting is allowed at each judge's discretion.
6. Dogs may be shown on a show lead (such as a one piece martingale, resco-type lead, etc.) or on a slip collar (leather, chain, or fabric) and attached leash. The handler's ability to control the dog's show equipment in a non-distracting manner is more important than the actual equipment being used.
7. Judges or Stewards WILL ask exhibitors questions during Fitting and Showmanship classes or outside the ring before or after the class. Questions

may cover: general dog care and knowledge, the exhibitor's dog's breed history and purpose, the exhibitor's dog's specific history, the Kentucky 4-H Dog Program Rules, general 4-H questions.

Sources of questions: National 4-H Dog Curriculum, other resources TBA by March 1st.

8. Classes should be subdivided if there are 12 or more exhibitors in a class.

9. Classes are divided into four divisions and by age (as of January 1 of current year) as follows:

a. Beginners. For handlers who have never shown in the showmanship project at the State Fair 4-H Dog Show.

b. Novice Division. For youth and dogs with no experience in conformation and/or showmanship at a sanctioned (AKC, UKC, etc.) show (sanctioned show does not include a match).

c. Open Division. For youth who have shown in a conformation and/or showmanship at a sanctioned (AKC, UKC, etc.) show (sanctioned show does not include a match) and/or dogs that have obtained Champion in conformation in AKC or UKC (or similar).

d. Masters Division. For youth who have shown in AKC Master or Open Showmanship (or other sanctioned equivalent) and/or dogs that obtained Champion in conformation in AKC or UKC (or similar).

e. Best handler will be determined in each division. There will not be a best overall handler. (The winners of each age group within their division will compete for the championship of their division.)

- d. As the judge moves past the dog's head, handler should control the head from the front or near the front and remain out of the judge's way.

General Knowledge

- a. Exhibitor is knowledgeable about dog care, training, grooming, showing and breeds. Judge or Steward will ask no more than six questions to determine this.

Ring Procedure

- a. Do not crowd exhibitor or dog in front when stacking.
- b. When judge is individually examining the rest of your class, let your dog stand and relax, if posed reasonably well, but remember to keep the dog's focus on you and stay alert. Excessive grooming in the ring is objectionable.

OBEDIENCE CLASSES AND EXPLANATIONS

502 Sub Novice A - For handlers who have never shown in the dog obedience project at the State Fair 4-H Dog Show.

Heel on Leash and Figure 8 on Leash - In “heeling” and “figure 8” exercises, the handler will work the dog on a loose leash, which should be carried in either hand or both hands, with the dog on the handler’s left side. Hands are to be carried in a natural manner. The handler’s left hand should not touch the dog. Any jerking or tugging on the leash is penalized. The handler walks, when the order “forward” is given by the judge, in a normal manner and must not adapt his pace to the dog. There must be a definite change of pace when given the orders “fast”, “slow”, or “normal”. Upon judge’s command to “halt”, the dog must sit in heel position until judge’s next command is given. Extra commands, signals or tugs on the collar will be penalized. The judge’s command “exercise finished” indicates that the exercise is complete.

Sit for Exam on Leash - Upon the judge’s order, the handler will sit the dog facing the judge and leave when ready. A voice command and hand signal may be used. If both are used, the dog’s name should not be part of the spoken command. The handler will then walk to the end of the leash and face dog. The judge will examine dog by touching the back of the dog; the dog must stay in a sitting or standing position, as left by handler. Upon judge’s command “return to your dog”, handler will return to their dog by approaching the dog from the front and walking around behind the dog to the heel position. Once the handler has returned to heel position, the judge will give the order “exercise finished” to signal the exercise is complete.

Recall on Leash - The handler will sit the dog, and with the judge’s order, command the dog to stay, leave, and walk to the end of the leash. When ordered to “call your dog”, a voice or hand signal should be used (but not

both). The dog should come and sit directly in front of the handler. When ordered to “finish” the handler will again use either a voice or hand signal. The dog must move to the heel position and sit. Attempts to guide the dog in either the “come” or “finish” will be penalized. The judge will then give the order “exercise finished” to signal the exercise is complete.

Long Sit on Leash - The “sit” will be for 30 seconds. Handlers may use a voice command and a hand signal. If both are used the dog’s name should not be part of the spoken command. When the judge instructs the handler to “leave your dog”, the handler will give the command/signal to stay and immediately proceed to the end of the leash. The leash will always be in handler’s hands, never dropped on the ground. Upon judge’s command “return to your dog”, after the time required is reached, the handler will return to his/her dog by approaching the dog from the front and walking around and behind the dog to heel position. Once the handler has returned to heel position, the judge will give the order “exercise finished” to signal the exercise is complete.

503 Sub Novice B - For dogs that have never qualified in Beginner Novice or Novice at any recognized trial (i.e., AKC, UKC). Same exercises as Sub-Novice A.

504 Beginner Novice - For dogs that have never qualified in Beginner Novice or Novice at any recognized trial (i.e., AKC, UKC). Same exercises as Sub-Novice A except:

Sit Stay Walk Around - The sit stay will be off leash. The handler will unsnap the leash and carry it while he or she walks away from the dog to the outer edge of the show ring. The handler will turn to the left and proceed to walk completely around perimeter of the ring, returning to where he or she started. The handler will then turn toward the dog, return to it and circle around into heeling position.

Recall - The recall will be off leash. The handler will sit the dog, command it to stay, and leave on the judge’s order. When ordered to “call your dog”, a voice and/or hand signal should be used. The dog should come and sit directly in front of the handler. A one-time single phrase of praise or encouragement while the dog is coming to the handler will be allowed without penalty.

505 Preferred Novice A - For dogs in their first year of NOVICE only. Limit of one year in this class with the same dog and handler team. Exercises:

Heel on Leash and Figure 8 on Leash -The same rules which apply to Sub Novice apply to this exercise.

Stand for Examination -This exercise is performed off leash.

Heel Off Leash - This exercise is executed in similar fashion the heel on leash, except without a leash.

Recall -The same rules which apply to Beginner Novice apply to this exercise.

Sit Stay - Walk Around- The same rules which apply to Beginner Novice apply to this exercise.

Sit Stay (Get Your Leash) - The exercise will start with the dog and handler positioned at least 30 ft. from and facing the gate entrance. The leash will be removed by the handler and then given to the steward or judge to be placed at the designated spot (close to the gate entrance, so the handler

does not have to leave the ring to retrieve it). The judge will ask "Are you Ready?" On the judge's order, the handler may command and/or signal the dog to sit without touching either the dog or collar. On order "Leave your dog to get your leash," the handler may give a command and/or signal to stay and will walk forward to the leash, pick it up and turn to face the dog. The judge will order "Back to your dog." The handler will return by walking toward the dog and passing the dog on its left side and behind the dog, stopping at heel position. The dog is not to move from position until after the judge says "Exercised finished."

506 Preferred Novice B - For dogs that do have a C.D. title or 4-H's having shown the same dog for one year in Novice A. (Exercises the same as Novice A - see above.)

507 Graduate Novice - For dogs that have not qualified in open at a recognized trial. Exercises are the same as Novice A except: there will be a drop on recall and a recall over a jump.

Drop on Recall - Executed similar to recall but the dog must drop to a "down" on command from the handler, and complete the "come" on command. The dog must come quickly, drop instantly, and come straight in to the handler on the first command in each part of the exercise. A second command is a disqualification, slow response to any command results in a loss of points.

Recall over Jump - This exercise starts with the dog in the sitting heel position at least 8 feet from the jump. On the judge's order, the handler will command and/or signal the dog to stay, and then go at least 8 feet beyond, and face the jump. When the judge indicates, the handler will command or signal the dog to come over the jump and sit in front. The handler will then give a command or signal to finish and the dog will to heel position and sit straight.

The dog and handler team move continuously through a rally course of 10-20 signs with the dog at the handler's left side. At each numbered sign they perform the indicated exercise then move to the next sign. Unlimited communication is encouraged - the handler can talk to the dog and give multiple commands and signals. The course will be made up of AKC rally signs 1-42 (for novice and all other rally classes), with a challenge level appropriate for beginners. Signs may include halt, sit, down, about turn, slow pace, fast pace, normal pace, right and left turns and circles. Not timed. **PREMIUM CLASS.**
