## QUILTS

- All quilts must have been completed within the last three years and must be clean and in good condition.
- Quilts must have a sleeve (hanging sleeve) on the top back of the quilt large enough to accommodate a 4" rod. Both the top and bottom of the sleeve must be sewn on. Do not use pins. An instructional video can be found on YouTube, please visit [www.americanquilter.com](http://www.americanquilter.com). See diagram below:

8 1/2" x width of quilt, hem short sides.

Sew long sides with 1/4" seam.

Hand sew to back-top of quilt.

- Quilts without the proper hanging sleeve (no tabs) will not be judged or displayed.**
- If necessary, the quilt bottom will be pinned up to prevent it from touching the floor. The management will not be responsible for any articles exhibited, but due care and diligence will be given in the handling of articles.
- Please read the classes carefully and enter the quilt in the correct class for size, intended use and techniques employed. A quilt may be disqualified if it is entered into the incorrect class.
