OPEN MARKET HOG DIVISION

1. Animals exhibited in the 4-H/FFA Youth Market Hog Division and Breeding Gilt Division are eligible to compete in the Open Market Hog Division.
2. Both market gilts and barrows are eligible to compete in the Open Market Hog Division. Gilts exhibited in the Open Breeding Swine Division may not be shown in the Open Market Hog Division.

3. Each exhibitor is limited to four (4) open market hogs in any one (1) breed. If an exhibitor shows more than one (1) breed of open market hogs, he or she may exhibit a total of six (6) open market hogs.
4. Exhibitors will declare weights of market hogs (an official weigh-in will not be conducted by show officials). The following procedures and guidelines will be used by exhibitors to declare weights of market hogs:
 - a. Upon arrival at the State Fair, Open Swine Show exhibitors must pick up a weight card (one weight card for each market hog that will be exhibited) at the Swine Superintendent's Office.
 - b. The completed weight card must be turned in at the Swine Superintendent's Office **between 12:00 and 5:00 p.m. on Friday, August 27**. Exhibitors with purebred market hogs must bring the animal's registration paper along with the weight card to the Swine Superintendent's Office. The Swine Superintendent or their representative will conduct an inspection of purebred animals to verify that they meet registration guidelines (appropriate breed character) and that their ear notches match those on the registration paper. The weight listed on the weight card will become that market hog's official declared weight to be used for assignment to a weight class and for weigh-back purposes. **ANIMALS EXHIBITED IN THE 4-H/FFA YOUTH MARKET HOG SHOW MUST TURN IN A NEW WEIGHT CARD. THE WEIGHT DECLARED FOR THE YOUTH MARKET HOG SHOW WILL NOT BE USED FOR THE OPEN MARKET HOG SHOW. GILTS EXHIBITED IN THE YOUTH BREEDING GILT SHOW THAT WILL BE SHOWN IN THE OPEN MARKET HOG SHOW WILL NEED TO TURN IN A WEIGHT CARD. Once the weight card has been submitted, it may not be changed.**
 - c. All market hogs must weigh between 220 and 285 lbs. There will be no variance from this weight range.
 - d. At least the top three placing market hogs in each class will be weighed by the Swine Superintendent or their representative as the animals leave the show ring. Any market hog that weighs 15 pounds over its official declared weight will be disqualified. No premiums will be paid on disqualified animals.
5. Open market hogs will be shown in classes of 5 - 15 animals divided by breed and weight. A breed must be represented by five (5) animals to have a separate class for that breed. All open market hogs shown in a breed class must have a registration certificate issued by the respective breed association showing animal identification and ownership and the animal must exhibit typical breed characteristics. The sex may be listed as boar on the pedigrees for barrows. Five (5) head minimum are required for purebred classes. If less than five (5) head are present, they will go into a "Colored Purebreds" or "White Purebreds" category. If these two categories have less than five (5) head, they will be combined into an "All Other Breeds" category.
6. A Breed Champion from each purebred division will be selected in the Open Market Hog Show. The Breed Champions from each purebred division will compete with the crossbred division winners for Grand Champion Open market hog.

7. The crossbred classes will be equally distributed into three (3) weight divisions: Light Weight, Medium Weight, and Heavy Weight. The three (3) crossbred division winners will compete with the Breed Champions from each purebred division for Grand Champion open market hog.
