

## State Fair Work Areas

### Maintenance & Operations: (must be 18 years of age or older)

- Grounds: trash pick-up on all outdoor areas, including parking lots. Must be able to lift 50 lbs. frequently (pulling trash from barrels). Must have tolerance of outside temperatures. Day and night shifts.
- Horsebarns: sweep and clean aisles outside of horse stalls. Refresh bedding between show move-ins. Must be able to work around straw, hay and dust. Long pants, and closed-toe shoes are required.
- Midway: trash pick-up and sweeping of assigned areas of the Midway. Must be able to work outside in hot and unshaded areas. Day and night shifts.
- Courtyard: keep courtyard and lawn areas clear of trash. Requires working around the public--neat appearance is required. Must be tolerant of outside temperatures. Night shift requires lifting trash bags. Day and night shifts.
- West Wing: sweep and clean aisles between cattle stalls and livestock cages. Lay tarpaper (bending, lifting). Must be able to work around livestock, straw, hay and dust. Long pants and closed-toe shoes are required. Morning and evening shifts.
- North Wing: maintain horse stall areas, lay out tar paper, and pick up trash. Must be able to work around horses, straw, hay, and dust; be able to bend, stoop, and lift up to 50 pounds. Long pants and closed-toe shoes are required. Neat appearance is needed.
- South Wing: keep areas around exhibits and aisles clean. Neat appearance required to work around patrons. Day and night shifts.
- Janitors / Housekeeping: clean and maintain supplies in restrooms throughout the facility. Must be able to maneuver in stalls to clean. Neat appearance is needed.
- Coliseum and Swing Shift: clean up and set up for events in Bluegrass Village, Freedom Hall, Broadbent Arena, KEC Wings. Various hours and shifts. Heavy lifting is required at times.

Access Control: placement upon favorable background check

- Gates / Admissions: sell tickets and process payment for tickets and parking. Must pass a basic math test and be able to work well under pressure. All jobs are outside, usually in unshaded areas. Various shifts available.

Guest Services: placement upon favorable background check

- Lot attendants: monitor and control entrance and exiting of parking lots. Must be able to work outside, stand for long periods, and provide good customer service. Must comply with uniform requirements of: black pants/shorts, black shoes, black socks, black belt. A work shirt will be provided.
- Ushers: greet and help guests find seats, restrooms, and other venue services. Must be able to provide good customer service, stand for long periods. Work is primarily indoors in controlled environment. Must comply with uniform requirements of: black pants/shorts, black shoes, black socks, black belt. A work shirt will be provided.

Traffic Control:

- Traffic Control Workers: monitor parking lots, direct traffic at peak times, assist with crosswalks, assist customers, ensure permitted vehicles reach designated locations and block roadways with traffic barricades/cones. All jobs are outside, usually in unshaded areas.
