On behalf of Team Kentucky, I want to welcome you and your family to the 120th Kentucky State Fair.

Every year, the Kentucky State Fair serves as a gathering place for farmers and families from all 120 counties, who represent over 69,000 farms that span 12.4 million acres of our commonwealth. The fair showcases the state's rich agricultural heritage and highlights why Kentucky is a leader in the agricultural industry.

The most highly anticipated agri-tourism event of the year, this 11-day showcase draws tens of thousands of families and visitors, who come to see the livestock, the concerts, and the world-class equestrian shows, and who stay to enjoy the unique and delicious food that has become a tradition.

While visiting, be sure to check out other sites and attractions in the area. Tourism is essential to our commonwealth, creating a \$12.9 billion economic impact and 91,668 jobs. Kentucky's economy is on fire, and the tourism industry continues to play a unique dual role in driving our economy and representing Kentucky to much of the world.

Whether you are from a few miles away or a few hours away, exploring the Kentucky State Fair is the perfect way to get to know our state better. I encourage you to take advantage of all the fair has to offer, from exhibits to hand-crafted art and delicious food.

See for yourself why Kentucky is such a special place and make plans to return to our beautiful commonwealth again.

Welcome to the Kentucky State Fair!

Sincerely,

Andy Beshear
63rd Governor of the Commonwealth of Kentucky

TEAM
KENTUCKY®

WELCOME TO THE *120th* KENTUCKY STATE FAIR

I am excited to join you at the State Fair, my first as Kentucky's Agriculture Commissioner. With you by my side, I want to experience the sights, the sounds, and the smells that make up one of the best times of the year. The State Fair is the perfect showcase of Kentucky's agricultural spirit. Rural and urban residents come together in this unique atmosphere to celebrate everything Kentucky has to offer.

Farming is a way of life for many in Kentucky, but its impact is vital for every resident. It's why I'm dedicated to ensuring a bright future for Kentucky agriculture. That future shines bright at the State Fair.

That light is even brighter when you realize it's the residents of Kentucky who make it special each year. The unique nature of the Kentucky State Fair is recognized by others as well. It's consistently ranked among the top state fairs each year. It received the No. 1 slot for state fairs in *Vacations Made Easy's* lifestyle and travel blog. It also grabbed one of the top spots in the *Wide Open Country's* ranking for state fairs across the country. From popular music concerts to gourmet chef demonstrations to, of course, the incredible horse shows and the parade of livestock champions, hundreds of thousands enjoy the state fair each year.

As a member of the State Fair Board, I can assure you lots of behind-the-scenes actions take place to make the Kentucky State Fair a showcase for our state. Planned renovations, being furnished by a \$200 million appropriation for the Kentucky State Fair by our General Assembly, will create an even better experience for fairgoers in the coming years.

Changes on a smaller scale are also part of this year's AgLand, which brings together more than an acre of agriculture exhibits in the South Wing highlighting Kentucky's farm and field heritage, including the future of farming and agribusiness. It's where you'll find Kentucky 4-H, Kentucky FFA, and other ag exhibits reaching a broad and diverse audience. This year's AgLand will include more immersive and interactive exhibits bringing the farm to Kentucky residents. You won't want to miss it.

At the Kentucky State Fair, you will see why we're Kentucky Proud of our agriculture industry. Kentucky's leading youth livestock exhibitors compete for the highest honors of the livestock show season. Kentucky's commodity groups serve delicious meals at the Great Kentucky Cookout Tent. The agricultural displays highlight the best our Kentucky farmers have to offer.

As always, your Kentucky Department of Agriculture will be on the job at the fair. Our employees meet the public and talk about the ways agriculture affects everyday lives. We help manage the livestock shows and the agricultural exhibits. We also help livestock producers and exhibitors protect their investments in their animals.

We want you to leave the fair with fond memories that will last a lifetime. If I, or any of my staff, can be of service to you, please don't hesitate to ask. Again, welcome, and enjoy the Kentucky State Fair.

Sincerely,

Jonathan Shell
Kentucky Commissioner of Agriculture

4. Every animal or article in competition will be under the supervision of the Superintendent of the department in which it is entered, but the Kentucky State Fair Board and Management will not be responsible for any loss or damage that may occur.
5. Exhibits that have been mistakenly entered in a class may be transferred to proper classes prior to being judged at the discretion of the Superintendent. If such classes already have been judged, they will not be reopened.
6. All items entered in competition will be displayed at the discretion of the State Fair Management. The Kentucky State Fair Board, in its sole discretion, may decline the acceptance of any entry that it deems not suitable for display or exhibit at the Kentucky State Fair.
7. The Superintendent of each department shall check entries listed under each class in the entry book against each exhibit presented. At the time of judging, the Superintendent shall mark the entry book to show which animals or articles were passed on by the judge.
8. Judging books must be signed in ink. Entries that were not shown must be so designated. Superintendents are responsible for these requirements.

Placing of Entries

9. The Kentucky Exposition Center will be open to receive livestock and articles for exhibition at dates and times specified in departmental rules. No livestock or article may be brought onto the Fairgrounds and placed on exhibit except by and at the expense of the owner or his/her authorized agent.

NATIONAL CODE OF SHOW RING ETHICS

Exhibitors of animals at livestock shows shall at all times deport themselves with honesty and good sportsmanship. Their conduct in this competitive environment shall always reflect the highest standards of honor and dignity to promote the advancement of agricultural education. This code applies to junior as well as open class exhibitors who compete in structured classes of competition. This code applies to all livestock offered in any event at a livestock show. In addition to the National Code of Show Ring Ethics, fairs and livestock shows may have rules and regulations that they impose on the local, county, state, provincial, and national levels.

All youth leaders working with junior exhibitors are under an affirmative responsibility to do more than avoid improper conduct or questionable acts. Their moral values must be so certain and positive that those younger and more pliable will be influenced by their fine example. Owners, exhibitors, fitters, trainers, and absolutely responsible persons who violate the code of ethics will forfeit premiums, awards, and auction proceeds and shall be prohibited from future exhibition in accordance with the rules adopted by the Kentucky State Fair. Exhibitors who violate this code of ethics demean the integrity of all livestock exhibitors and should be prohibited from competition at all livestock shows in the United States and Canada.

The following is a list of guidelines for all exhibitors and all livestock in competitive events:

1. All exhibitors must present, upon request of fair and livestock show officials, proof of ownership, length of ownership, and age of all animals entered. Misrepresentation of ownership, age, or any facts relating thereto is prohibited.
2. Owners, exhibitors, fitters, trainers, or absolutely responsible persons shall provide animal health certificates from licensed veterinarians upon request by fair or livestock show officials.
3. Junior exhibitors are expected to care for and groom their animals while at fairs or livestock shows.
4. Animals shall be presented to show events where they will enter the food chain free of violative drug residues. The act of entering an animal in a livestock show is the giving of consent by the owner, exhibitor, fitter, trainer, and/or absolutely responsible person for show management to obtain any specimens of urine, saliva, blood, or other substances from the animal to be used in testing. Animals not entered in an event that culminates with the animal entering the food chain shall not be administered drugs other than in accordance with applicable federal, state, and provincial statutes, regulations, and rules. Livestock shall not be exhibited if the drugs administered in accordance with federal, state, and provincial statutes, regulations, and rules affect the animal's performance or appearance at the event. If the laboratory report on the analysis of saliva, urine, blood, or other sample taken from livestock indicates the presence of forbidden drugs or medication, this shall be prima facie evidence such substance has been administered to the animal either internally or externally. It is presumed that the sample of urine, saliva, blood, or other substance tested by the laboratory to which it is sent is the one taken from the animal in question, its integrity is preserved, and all procedures of said collection and preservation, transfer to the laboratory, and analysis of the sample are correct and accurate and the report received from the laboratory pertains to the sample taken from the animal in question and correctly reflects the condition of the animal at the time the sample was taken, with the burden on the owner, exhibitor, fitter, trainer, or absolutely responsible person to prove otherwise. At any time after an animal arrives on the fair or livestock show premises, all treatments involving the use of drugs and/or medications for the sole purpose of protecting the health of the animal shall be administered by a licensed veterinarian.
5. Any surgical procedure or injection of any foreign substance or drug or the external application of any substance (irritant, counterirritant, or similar substance) that could affect the animal's performance or alter its natural contour, conformation, or appearance, except external applications of substances to the hoofs or horns of animals which affect appearance only and except for surgical procedures performed by a duly licensed veterinarian for the sole purpose of protecting the health of the animal, is prohibited.
6. The use of showing and/or handling practices or devices such as striking animals to cause swelling, using electrical contrivance, or other similar practices is not acceptable and is prohibited.
7. Direct criticism or interference with the judge, fair or livestock show management, other exhibitors, breed representatives, or show officials before, during, or after the competitive event is prohibited. In the furtherance of their official duty, all judges, fair and livestock show management, or other show officials shall be treated with courtesy, cooperation, and respect, and no person shall direct abusive or threatening conduct toward them.
8. No owner, exhibitor, fitter, trainer, or absolutely responsible person shall conspire with another person or persons to intentionally violate this code of ethics or knowingly contribute or cooperate with another person or persons either by affirmative action or inaction to violate this code of ethics. Violation of this rule shall subject such individual to disciplinary action.
9. The application of this code of ethics provides for absolute responsibility for an animal's condition by an owner, exhibitor, fitter, trainer, or participant, whether or not he or she was actually instrumental in or had actual knowledge of the treatment of the animal in contravention of this code of ethics.
10. The act of entering an animal is the giving of consent by the owner, exhibitor, fitter, trainer, or absolutely responsible person to have disciplinary action taken by the fair or livestock show for violation of this Code of Show Ring Ethics and any other rules of

competition of the fair or livestock show without recourse against the fair or livestock show. The act of entering an animal is the giving of consent that any proceedings or disciplinary action taken by the fair or livestock show may be published with the name of the violator or violators in any publication of the International Association of Fairs and Expositions, including Fairs and Expositions and any special notices to members.

11. The act of entering of an animal in a fair or livestock show is the giving of verification by the owner, exhibitor, fitter, trainer, or absolutely responsible person that he or she has read the IAFE National Code of Show Ring Ethics and understands the consequences of and penalties provided for actions prohibited by the code. It is further a consent that any action that contravenes these rules and is also in violation of federal, state, or provincial statutes, regulations, or rules may be released to appropriate law enforcement authorities with jurisdiction over such infractions.

GENERAL RULES

1. Entry Fee: \$15.00 per exhibitor, which includes all entries made in any division of the East Hall, South Wing, or West Hall departments (except Homebrew Beer, Homemade Wine and Livestock).
2. Except as otherwise stated, exhibitors may enter only one item per class.
3. Exhibitors will not be allowed to remove articles from this department until Monday, August 26 at 9:00 a.m. Any article not claimed by 7:00 p.m. on Monday, August 26, will be properly disposed of by the Kentucky State Fair.
4. All articles in the Fine Art department must be the original work of the exhibitor. Kits and "paint by numbers" are not acceptable.
5. An exhibitor winning first prize in a class one year is barred from exhibiting the same article in that class at any subsequent Kentucky State Fair.
6. Security is provided 24/7; however, the Management will not be responsible for any loss or damage to any article. Every effort is made for due care, protection, and diligence in the handling of all entries received in the Fine Art department. Large sculpture, glass work, and delicate China may be handled and installed by the exhibitor during check-in on the floor area with the supervision of the Superintendent or Assistant Superintendent during receiving days. To identify art if the tag becomes detached, you must place your name and/or address on the back side of art, out of view of the judges. Tags are closed during judging only. Titles on tags, printed near your name, are encouraged.
7. Art patrons and collectors are encouraged to inquire and purchase the exhibited work directly from you, the artist. The Fair will not act as a selling agent. Do not display a "For Sale" sign on work; however, you may print the selling price on your tag. A sale negotiated between the exhibitor and the patron after the closing of the Fair is best, scheduled by you on return day. To avoid inquiries on a purchase, clearly print "NFS" on the hang tag to indicate your intent for a "Not for Sale" entry. The art staff will be happy to assist you.
8. The Fine Art department welcomes volunteers to be floor runners on receiving days. Students over the age of 12 and adults familiar with handling art are welcome. Inquiries forwarded to the Superintendent.
9. All art "ready to hang" means art must have been wired to hang OR mounted to a base for three dimensional items. Textiles may require an insert (rod, bar, wire or hooks)
10. The Louisville Artisans Guild will award a one-year membership to the First Place winners in all adult divisions.

RULES FOR PURCHASE AWARDS CATEGORIES

1. All entries in purchase award categories must be matted with acid-free mats and acid-free backing material.
2. No pictures will be accepted unless they are equipped with a frame that surrounds the subject (canvases wired as ready-to-hang gallery-wrapped canvases, with all edges painted, is an exception). Pictures must also be fixed with screw eyes and wire for hanging or they will not be accepted. Size of picture must not exceed 15 square feet.
3. Secure entry tag on back upper right corner with string which will then hang on front left to public viewers.
4. In all purchase award categories, the artist will receive payment directly from the purchaser.

GENERAL RULES

- Entry fee is \$15 per exhibitor plus \$1 per individual photograph entered. You must sign up to compete through our Online Entry System (ShoWorks), which can be reached at <https://kystatefair.org/participate>. Online entry fees have to be paid by credit card. The application deadline is 11:59 p.m. EDT on July 10, which also is the deadline to submit entries, but they need not be done at the same time. Once an exhibitor completes the application transaction, the online entry system will show a box at the bottom of the screen where entrants may upload their entries digitally. If your photo is not ready at the time of application, you may log back into the system later and upload your entries. Just look under Account Summary, then click on "Upload files," and it will direct you to a page to upload your photos. Each entry, whether in a print or digital category, must be submitted digitally as a JPEG, no smaller than 5 megabytes. Exhibitors may include a caption. More detailed instructions for submitting digital photos may be found on the KyStateFair.org and Louisvillephotographic.org websites.
- All print classes (60, 61, 62, 70, 71, 72, 80, 81, 82, 90, 91, 92, 100, 101, 102, 104, 105 and 106) will be prejudged to determine finalists in each class. Digital classes (63, 73, 83, 93, 103, 107) will not be prejudged and qualify immediately for final judging. Print finalists will be notified and asked to present printed versions of their photographs on Saturday, August 10 or Sunday, August 11 (the weekend before the Fair starts on Thursday, August 15). All photos not selected as finalists will be displayed on monitors in the Photography area during the Fair, along with all digital entries.
- How to Submit Finalist Prints: Each photo must be matted or printed to EXACTLY 16 by 20 inches. Minimum size for the actual photo is 71 square inches. NO frames allowed. NO glass, plastic, wood or Formica. NO watermarks or time stamps. Photos MUST be mounted on a firm, flat backing such as mat board or foam core and firmly adhered to that backing so that the photograph is secure (cardboard or poster board is not acceptable). Items must be flush mounted (edge to edge). No mounting material should show behind the photograph. Mount cannot exceed ¼ inch thick. Please be aware that your photo will hang from a binder clip attached to a hook on pegboard for two weeks.
- Tags with strings will be distributed from tables in the North Wing Lobby when you come to drop off your photo Aug. 10-11. After attaching string to a tag, the string should be taped to the back of your entry in the top right corner so that the tag can be flipped over the entry and appear in the front top left corner. Remember to detach your claim check from the bottom of the tag; it will be required to claim your entry when the Fair is over. Then flip up the bottom of the tag to catch in the slot so that your name is hidden.
- If you do not wish to reclaim your entry after the fair closes, write "RECYCLE" on the back of the entry.

GENERAL RULES

- Please read the Plants and Flowers section in its entirety for correct divisions and classes as changes have been made. It is the responsibility of exhibitors to accurately register their entries prior to check-in. If an entry is misidentified or otherwise described as something it is not, it may still be displayed but will not be judged. For Kentucky State Fair purposes, all plants and flowers are considered horticultural because they are cultivated in gardens, orchards, or indoors as potted houseplants.
- All horticultural exhibits will be accepted from 8:00 to 11:30 AM on the day before the Fair begins, Wednesday, August 14. Judging will start promptly at 1:00 PM.
- Rose Show entries will be accepted from 9:00 to 10:30 AM on Saturday, August 24. Judging will start promptly at 11:30 AM.
- Only Plants and Flowers workers are responsible for placing entries, including entries for the Roses Show. Entry tags are to be presented in numerical order to assist the check-in process. Exhibitors must keep their entry tag stubs to retrieve entries at the end of each show or provide a valid driver's license. Stubs are given as receipts and cannot be used for any other purpose.
- Exhibits will be accepted as indicated at the beginning of each show. Entries will close promptly at the specified times. Late entries will not be judged but may be put on display.
- Exhibitors are limited to one entry in each class unless otherwise specified.
- Exhibitors whose entries have been accepted are required to present an exhibitor ticket or pay Fair admission. For information about exhibitor tickets, please refer to General Rules
- For judging to begin promptly, all exhibitors are required to leave the exhibition floor as soon as their entries are placed and shall remain off the floor until judging is completed. Exhibitors are not allowed re-entry to the exhibition floor for any reason, including grooming, placement of trays, or rearranging exhibits.
- For transparency and efficiency, a strict chain of custody shall be maintained by Plants & Flowers personnel. Exhibitors shall not place their own exhibits, change tag information, switch tags or make entries into any log. Should such transgressions occur, compromised exhibits shall be excluded.
- Clerks shall not change information on tags, even at the request of exhibitors as they lack the authority to make such changes. However, if a tag is missing, the Plants and Flowers Supervisor and/or the Assistant Plants and Flowers Supervisor may handwrite a replacement for a clerk to initial and log in.
- LIABILITY: The Kentucky State Fair will not be responsible for loss or damage to exhibits or personal property but will exercise utmost care for the protection of all exhibits.
- JUDGING: Will be done by trained Horticultural Judges and/or accredited Society Judges. The signature of at least one trained judge must be written on every Blue Ribbon exhibit card.

 - Correct identification
 - Form, color, condition and grooming
 - Lack of blemishes
 - Maturity and size

- Grooming and staging

14. SWEEPSTAKES: This is awarded to the winner of the most Blue Ribbons. In case of a tie, Red Ribbons will be counted, followed by Yellow Ribbons if necessary. All entries are eligible.
15. BEST IN SHOW: This will be awarded to one of the Blue Ribbon winners. Ribbons won for Best in Show, Best of Section or Best of Division do not count toward the Sweepstakes and are not to be entered on any entry form. The recipient is to be selected by the superintendent, the assistant superintendent or horticultural expert.
16. An exhibitor winning First Place prize in any class is barred from exhibiting the same article in that class at any subsequent Kentucky State Fair.
17. Ribbons and awards are not presented or publicly discussed until official tallies are complete.

Exhibitor Responsibilities

1. All submissions must have been the exhibitor's possession for at least three months. This includes exhibits of multiple plantings within the same pot.
2. All exhibits shall be properly identified with names written at the top of entry tags. Please note: during judging, named varieties are given precedence over specimens that are clearly of the same variety but erroneously named or not named at all. The terms 'Dwarf' and 'Miniature' indicate varieties; 'stunted' or 'standard' do not.
3. No live plants may be dyed or artificially colored in any fashion.
4. No shining agents or other sprays on foliage will be permitted.
5. No infested plants will be allowed or accepted. After submission, should an entry found to be infested, it will be quarantined without being judged. When possible, the exhibitor will be notified and asked to retrieve it.
6. Plants should be planted in sterile potting soil, not yard dirt.
7. Specimens should not be treated with anything other than soap and water.
8. Watering requirements should be submitted in writing. If no watering is to be given, this information must be provided in writing as well.

10. No exhibit or portion of an exhibit shall be removed from the show at any time. This will result in the loss of the premium associated with the winning exhibit. However, exhibitors are required to reclaim their exhibits when the Fair ends. Unclaimed exhibits and awards will be disposed of.
11. Pots and containers shall be provided by the exhibitor. Small specimens should be shown in small, clear, colorless glass bottles or vases. Large specimens may be exhibited in any suitable plain or colorless receptacle. Names and addresses must be attached to the bottom of these containers unless returns are not desired.
12. Unless otherwise instructed, all cut specimens will be disposed of by the end of the fair.
13. Do not decorate pots with foil, paper, ribbons, trinkets or the like. However, Styrofoam or wooden stems/wedges may be used to keep cut specimens in upright positions.
14. When submitting cut flowers, ensure no leaves or blooms are below water level. Remove floating debris.
15. When choosing categories, be mindful of size and weight requirements. Unless otherwise specified, pot size for most exhibits cannot exceed 24 inches in height and width and overall weight cannot exceed 25 pounds. The specimen itself cannot exceed 3 feet in height or 2 feet in width. Plant height is measured upwards from the soil line which must be ½ to 1 inch below the pot's rim.

GENERAL RULES

All exhibitors: Please read the Textiles section carefully to avoid disqualification. There are changes in the rules and new classes.

1. Exhibitors are limited to one entry in each class.
2. Unless otherwise specified, any item entered in Textiles must be:
 - a) Handmade;
 - b) The work of the person in whose name it is entered;
 - c) Finished within the last three (3) years.

Exhibitors must certify the above by signing the space provided on the entry form.

3. Items in this department must be made primarily of textiles. Only items entered in a class in the Textiles Department will be accepted and displayed.
4. Many quilts are now made by two people: one person may piece the quilt and another person actually quilts the quilt. Two-person or group quilts can only be entered in those classes that specify two or more people. Group quilts or those made by two people are not permitted in any other class. Also, we accept items in this department with the understanding that the work has been done by the entrant(s), who agree(s) to be governed by Fair rules and regulations.
5. ALL ITEMS SUBMITTED FOR DISPLAY MUST REMAIN FOR THE FULL RUN OF THE FAIR. EXHIBITORS WILL NOT BE ALLOWED TO REMOVE ARTICLES FROM THIS

DEPARTMENT UNTIL MONDAY, August 26 AT 9:00 A.M. ANY ARTICLE NOT CLAIMED BY 7:00 P.M. ON MONDAY, August 26, WILL BE DISPOSED OF BY THE KENTUCKY STATE FAIR.

6. All exhibits should be clean. Judges may penalize items that are not clean. Any article that is not up to standards in the class in which it is exhibited may be disqualified by the judge. If an item is disqualified in a class, it is not eligible for any other award and may not be displayed.
7. An exhibitor winning first prize in a class one year is barred from exhibiting only that item in the Textile Department at any subsequent Kentucky State Fair. The exhibitor may enter that class again if in future years with a different item.
8. If there are multiple articles in any exhibit (such as household items, ornaments, wearing apparel, etc.), they should be fastened together securely.
9. The Textile Department will not act as a selling agency. No articles may be shown in this Department with a "For Sale" tag. Any sales must be between the owner and the prospective purchaser.
10. No pictures will be accepted unless they are properly framed and fixed for hanging with screw eyes and wire. No saw-tooth hangers or easel back frames will be allowed. Items that are disqualified may not be displayed.

11. Perimeter measurement refers to the measurement of all sides of an object. The perimeter is obtained by measuring the length of each side of an object and adding all the lengths together. On three-dimensional items, the measurement must also include the depth as well as the height and length.
12. Security is provided 24/7, Management will not be responsible for any loss or damage to any article. Every effort is made for due care, protection, and diligence in the handling of all entries received in the Textile Department.
13. Only Textile Department official workers will be permitted in the area during judging. The Textile Department would welcome your help on judging day if you do not have anything entered in the Textile Department. If you do have an entry, please help on another day during the Fair.
14. Where there is only one entry in a class, the first prize, if merited, will be awarded. Where there is competition, all prizes may be awarded so far as there are worthy entries. Where articles are not worthy of first prize, judges may, at their discretion, award a prize or prizes of such grade as the article deserves. Any article not up to Standards in the class in which it is exhibited may be disqualified by the judge. See Judging Standards
- 15.

QUILTS

DIVISION 4301

A Quilt is made of two layers of cloth with a layer of soft filling between them, then stitched together in lines or patterns through all the layers.

All quilts must have been completed within the last three years and must be clean and in good condition.

Quilts must have a sleeve (hanging sleeve) on the top back of the quilt large enough to accommodate a 4" rod. Both the top and bottom of the sleeve must be sewn on. Do not use pins. An instructional video may be found on the American Quilter's Society YouTube channel: <https://www.youtube.com/watch?v=bF81VRK4ilw>

Quilts without the proper hanging sleeve (no tabs) will not be judged or displayed. Place exhibitors tag at the bottom right corner of the piece.

If necessary, the quilt bottom will be pinned up to prevent it from touching the floor. The Management will not be responsible for any articles exhibited, but due care and diligence will be given in the handling of articles.

Please read the classes carefully and enter the quilt in the correct class for size, intended use, and techniques employed. A quilt may be disqualified if it is entered into the incorrect class.

The perimeter of a quilt is the measurement around all four sides.

GENERAL RULES

1. Unless otherwise noted, each entry of bees, honey, or beeswax exhibited must be produced in the exhibitor's apary and in the 2023-2024 production year.
2. ALL ENTRIES MUST BE IN AND EXHIBITS COMPLETED BY 6:00 PM (ET) MONDAY, AUGUST 12. Judging will be done on Tuesday, August 13. No exhibitor will be allowed in the department during judging.
3. Exhibits not picked up will be discarded. Observation hives are an exception to this rule. Observation hives may be picked up after the end of judging on Tuesday August 13, 4:30 p.m. (ET) to allow bees to fly. Arrangements should be approved by the Bees and Honey superintendent.
4. An exhibitor is limited to one entry in each class. In the case of a company or partnership, the exhibits should be entered in the name of the company or partnership. Members from the same family may enter (i.e., brothers and sisters, spouses), but each member needs to enter individually. In the case of a youth, the individual may enter into the Youth Division if the individual is under 18 as of August 1, 2024.
5. Each exhibitor will be asked to sign a certified statement indicating the exhibitor is a bona fide producer of the entry and the honey being exhibited. All honey entered in any class, with the exception of gift baskets and honey cookery, must be produced by the entrant. Beeswax and cookery entries must be the product of the exhibitor, but he/she does not have to produce the honey or beeswax used in the gift basket categories. Honey products in displays (Classes 25-26, 35) must be the product of the entrant, but the raw beeswax may be produced by someone else. Any exhibitor found guilty of violating this rule will forfeit all premiums.
6. With the exception of the Black Jar class, honey will show better in oval, flat-sided or square, clear glass containers than in round miscellaneous jars. Exhibitors should use the better display containers, if available. All jars for extracted honey, cream honey, and chunk honey must be in glass containers. A note to the beekeepers entering honey in the creamed and chunk honey categories: these products will display much better if you use one-pound round comb jars. Mason jars are not ideal for entering creamed or chunk honey because of the cast-in decoration, but they will be accepted. Lids for canning (such as those used with Mason jars) must be one-piece (either 'storage' lids or one-piece Mason lids). Labels are not allowed on jars, except for jars of honey in displays or gift baskets. Jars or containers of honey with labels (except in displays and gift baskets) will be disqualified.
7. Frames of honey (shallow, medium, deep, or top bar) must be in a bee-proof container with a removable top for checking moisture. One frame per container.
8. Creamed honey entries should not have added flavors.
9. Damaged or otherwise hazardous exhibits will be discarded at the discretion of the Superintendent.
10. No person may handle any exhibit without the permission of the Superintendent.
11. The Superintendent reserves the right to reject any entry that, in their opinion, is unworthy of entry.
12. The decision of the Superintendent and Show Management in charge shall be final.
13. Each exhibitor should determine honey color classification but can request to change classes upon arrival at the State Fair. Jack's Scale will be available to the exhibitor for color placement in classes 5-14.

14. All observation hives shall be secure from opening to the satisfaction of the Bees and Honey Superintendent. This shall include the top of the observation hive and all holes and openings. Openings shall be secured by screws or locks.
15. If the KSBA President wants to make one delivery of an association's individual entries, as long as the individual entries have their tags, they will be accepted. However, the Kentucky State Fair is not responsible for entries that do not arrive by the time posted in the Premium and General Rules book. Entries that do not meet the drop-off deadline will not be accepted and will not be judged, no exceptions.
16. Exhibitors entering in the Black Jar class are responsible for submitting one jar of extracted liquid honey (as small as a baby-food jar, but no larger than a pint jar), in which the outside of the jar is painted completely black and bearing no individual labels.
17. In all classes, adult and youth, items submitted must not have any reference to the exhibitor. This includes the exhibitor's name, company name, and/or logo, unique color of ink pen, etc. Any items so identified will be disqualified and will be on display only after judging is completed and if space is available. All containers must be unlabeled.
18. Entries in the Beekeeping photo classes must have been taken by the exhibitor in the 2024 year. The subject for 2024 is "Honey Bee Swarm and its behavior" and photos must not include people, just a swarm or swarms and its unique behavior. Photos will not be accepted if framed and/or if glass is present.
19. The Show Management will use diligence to ensure the safety of articles after their arrival and placement, but in no case will management be responsible for any loss or damage that may occur.
20. Winners of sweepstakes awards (or their immediate family, including spouses, children, or siblings) are eligible for the same award every other year. To determine sweepstakes winners, the following point system will be used: blue ribbon - 7 points; red ribbon - 6 points; white ribbon - 5 points; pink ribbon - 4 points.
21. Counting the number of blue ribbons will break point ties. The exhibitor with the most blue ribbons is determined the winner. If blue ribbons are equal, then red ribbons will be counted. If red ribbons are equal, then white ribbons will be counted. If white ribbons are equal, then pink ribbons will be counted. Only if pink ribbons are also equal will duplicate prizes be offered.

NEW IN 2024:

Challenge the Commissioner!

Kentucky Commissioner of Agriculture Jonathan Shell hails from a diverse family farm that includes a cattle operation, field crops, and greenhouses, and is passionate about all those things. However, he is downright competitive about growing large pumpkins! He's adding an exciting new level of competition to the Largest Pumpkin/Watermelon Contest at the 2024 Kentucky State Fair: "Challenge the Commissioner!" Any Kentucky-grown pumpkin entered in this year's State Fair contest that outweighs the pumpkin grown and displayed by Commissioner Shell will receive additional recognition.

In honor of this 120th Kentucky State Fair, we'd love to see entries from as many of Kentucky's 120 counties as possible! Pumpkins grown in other states are welcome to compete, as always, but those entries cannot "Challenge the Commissioner!" Bring it on, Kentucky pumpkin growers - Commissioner Shell means business!

NATIONAL CODE OF SHOW RING ETHICS

Exhibitors of animals at livestock shows shall at all times deport themselves with honesty and good sportsmanship. Their conduct in this competitive environment shall always reflect the highest standards of honor and dignity to promote the advancement of agricultural education. This code applies to junior as well as open class exhibitors who compete in structured classes of competition. This code applies to all livestock offered in any event at a livestock show. In addition to the National Code of Show Ring Ethics, fairs and livestock shows may have rules and regulations that they impose on the local, county, state, provincial, and national levels.

All youth leaders working with junior exhibitors are under an affirmative responsibility to do more than avoid improper conduct or questionable acts. Their moral values must be so certain and positive that those younger and more pliable will be influenced by their fine example. Owners, exhibitors, fitters, trainers, and absolutely responsible persons who violate the code of ethics will forfeit premiums, awards, and auction proceeds and shall be prohibited from future exhibition in accordance with the rules adopted by the Kentucky State Fair. Exhibitors who violate this code of ethics demean the integrity of all livestock exhibitors and should be prohibited from competition at all livestock shows in the United States and Canada.

The following is a list of guidelines for all exhibitors and all livestock in competitive events:

1. All exhibitors must present, upon request of fair and livestock show officials, proof of ownership, length of ownership, and age of all animals entered. Misrepresentation of ownership, age, or any facts relating thereto is prohibited.
2. Owners, exhibitors, fitters, trainers, or absolutely responsible persons shall provide animal health certificates from licensed veterinarians upon request by fair or livestock show officials.
3. Junior exhibitors are expected to care for and groom their animals while at fairs or livestock shows.
4. Animals shall be presented to show events where they will enter the food chain free of violative drug residues. The act of entering an animal in a livestock show is the giving of consent by the owner, exhibitor, fitter, trainer, and/or absolutely responsible person for show management to obtain any specimens of urine, saliva, blood, or other substances from the animal to be used in testing. Animals not entered in an event that culminates with the animal entering the food chain shall not be administered drugs other than in accordance with applicable federal, state, and provincial statutes, regulations, and rules. Livestock shall not be exhibited if the drugs administered in accordance with federal, state, and provincial statutes, regulations, and rules affect the animal's performance or appearance at the event.

If the laboratory report on the analysis of saliva, urine, blood, or other sample taken from livestock indicates the presence of forbidden drugs or medication, this shall be prima facie evidence such substance has been administered to the animal either internally or externally. It is presumed that the sample of urine, saliva, blood, or other substance tested by the laboratory to which it is sent is the one taken from the animal in question, its integrity is preserved, and all procedures of said collection and preservation, transfer to the laboratory, and analysis of the sample are correct and accurate and the report received from the laboratory pertains to the sample taken from the animal in question and correctly reflects the condition of the animal at the time the sample was taken, with the burden on the owner, exhibitor, fitter, trainer, or absolutely responsible person to prove otherwise.

At any time after an animal arrives on the fair or livestock show premises, all treatments involving the use of drugs and/or medications for the sole purpose of protecting the health of the animal shall be administered by a licensed veterinarian.

5. Any surgical procedure or injection of any foreign substance or drug or the external application of any substance (irritant, counterirritant, or similar substance) that could affect the animal's performance or alter its natural contour, conformation, or appearance, except external applications of substances to the hoofs or horns of animals which affect appearance only and except for surgical procedures performed by a duly licensed veterinarian for the sole purpose of protecting the health of the animal, is prohibited.
6. The use of showing and/or handling practices or devices such as striking animals to cause swelling, using electrical contrivance, or other similar practices is not acceptable and is prohibited.
7. Direct criticism or interference with the judge, fair or livestock show management, other exhibitors, breed representatives, or show officials before, during, or after the competitive event is prohibited. In the furtherance of their official duty, all judges, fair and livestock show management, or other show officials shall be treated with courtesy, cooperation, and respect, and no person shall direct abusive or threatening conduct toward them.
8. No owner, exhibitor, fitter, trainer, or absolutely responsible person shall conspire with another person or persons to intentionally violate this code of ethics or knowingly contribute or cooperate with another person or persons either by affirmative action or inaction to violate this code of ethics. Violation of this rule shall subject such individual to disciplinary action.
9. The application of this code of ethics provides for absolute responsibility for an animal's condition by an owner, exhibitor, fitter, trainer, or participant, whether or not he or she was actually instrumental in or had actual knowledge of the treatment of the animal in contravention of this code of ethics.

10. The act of entering an animal is the giving of consent by the owner, exhibitor, fitter, trainer, or absolutely responsible person to have disciplinary action taken by the fair or livestock show for violation of this Code of Show Ring Ethics and any other rules of competition of the fair or livestock show without recourse against the fair or livestock show. The act of entering an animal is the giving of consent that any proceedings or disciplinary action taken by the fair or livestock show may be published with the name of the violator or violators in any publication of the International Association of Fairs and Expositions, including Fairs and Expositions and any special notices to members.
11. The act of entering of an animal in a fair or livestock show is the giving of verification by the owner, exhibitor, fitter, trainer, or absolutely responsible person that he or she has read the IAFE National Code of Show Ring Ethics and understands the consequences of and penalties provided for actions prohibited by the code. It is further a consent that any action that contravene these rules and is also in violation of federal, state, or provincial statutes, regulations, or rules may be released to appropriate law enforcement authorities with jurisdiction over such infractions.

Pigeon Specific Rules

1. This is an American Dove Association Sanctioned Meet
2. Sale Coops: \$5 each (must be purchased online). Any exhibitor who wants to see or trade birds must exhibit at least five (5) birds to be given the opportunity of renting a coop of four (4) holes. (There is a limit of two coops per exhibitor). A maximum of 12 birds will be allowed in a four-hole coop at any one time. If birds are sold, and the buyer wishes to take them, the exhibitor must get a release slip from the superintendent or assistant superintendent. These coops are to be supervised at all times by the superintendent, assistant superintendent, or someone designated by them in their absence.
3. All varieties competing in the young bird classes must wear 2024 seamless club bands of the correct size, with one numbered band per bird. Exhibitors must write band numbers on coop cards when cooping entries.
4. All exhibitors present during judging are required to handle their own birds or designate someone to do so. Otherwise, birds will be judged in coops.
5. The National Young Bird Show is among the largest and most prestigious pigeon shows in the country and is held annually here in Louisville. The next show will be October 5, 2024 and will be held in the Pavilion at the Kentucky Exposition Center. For most up-to-date information, see <https://nationalyoungbirdshow.net/>
6. The Louisville Pigeon Club will award trophies to the Best Fancy, Best Sporting, and Best Utility of Show. Fred Zipp will sponsor the Denny Stapp Memorial Trophy for Best Dove. Jerry and Carol Kaiser will donate \$25 for the best bird by a junior exhibitor and \$20 for reserve bird by a junior exhibitor. The Juniors must coop their own birds to be eligible. The awards ceremony will be on Sunday before load-out. Ask the Pigeon Department staff for further information.

Rabbit Specific Rules

1. Exhibitors are expected to be present at judging to carry their animals or arrange for someone to do so in their absence.
2. There will be NO sale coops. Only rabbits entered in the show will be allowed into the Kentucky Exposition Center.
3. Extra rabbits can not be brought to the Kentucky Exposition Center for sale.
4. This is an American Rabbit Breeders Association (ARBA) SANCTIONED SHOW and will be governed by their latest revised rules. Only breeds and varieties recognized by the ARBA are eligible to show. The entry form must be completely filled out with Breed Name, Variety (if applicable), sex, and class; as well as, the division number and class number (including letter). The filing of an entry indicates acceptance of all rules and regulations.
5. All exhibitors entering in the youth show (Divisions 800 and 804) must be under the age of 19 on the day of the show. Youth exhibitors may not enter the same rabbit in both the open and youth shows but can make entries in both shows with different rabbits.

6. No Does and Litters will be accepted.
7. No substitutions are allowed, except in the same class, sex, and breed.
8. All rabbits must be permanently and legibly earmarked in the animal's left ear.
9. All rabbits that are overweight or underweight will be eliminated. There will be no changes after the rabbits are placed on the judge's table. All junior class rabbits must meet minimum weight requirements as listed in the ARBA breed standards. Any rabbit significantly underweight for its breed will be removed from the showroom.
10. Wall space for exhibitor grooming tables, chairs, and supplies is limited and must be shared and kept clean and presentable. No exhibitor carrying cages may be left in the showroom.
11. There must be ten (10) or more exhibits in the breed to win Best of Breed and Best Opposite Sex Specials.

4-H YOUTH DEVELOPMENT

GENERAL RULES

1. See Kentucky State Fair General Rules on pages 6-13.
 2. Eligibility -
 - a. Age - Any 4-H'er who has passed his/her 9th birthday as of January 1 of the current year but has not passed his/her 19th birthday as of January 1 of the current year. There are no Cloverbud exhibits permitted in Cloverville.
 - b. Participation - Exhibitor must have, since the last State Fair, carried an approved project, of which the exhibit is a part, under the general supervision of the Cooperative Extension Service of the University of Kentucky.
 - c. Residence - Entry in the 4-H Section is open only to 4-H participants residing in Kentucky.
 - d. Exhibitors must conform to the:
 - i. General Rules listed here plus general rules of the Kentucky State Fair and
 - ii. Specific rules governing the department in which the entries are made.
 3. Entries are to be made in the name of the 4-H participant who completed the work on the project exhibited. A Social Security or Federal Tax ID number is required for each 4-H exhibitor.
 4. All 4-H Cloverville entries (except small animals and livestock) will be registered electronically by the August 5, 2022 deadline. Instructions and web address will be provided later. There will not be any walk-in registration received after August 5. Any fair held before or after this date must meet the August 5 registration deadline. Substitutions will not be allowed.
- Deadlines:
- 4-H Rabbit: July 10
 - 4-H Poultry Showmanship: July 10
 - All other Entries: August 5
6. Livestock entry forms must be signed or verified by the extension agents supervising 4-H work certifying that the exhibitor and exhibit are eligible. Entries will not be accepted if entry forms are not signed by the Extension Agent responsible for 4-H or if the entry forms are missing information. For online entries only, the Kentucky State Fair Entry Department will verify that youth for corresponding entries are eligible to participate in the 4-H/FFA Youth Livestock Show. The County Extension Agent from the county 4-H listed will be contacted by the Kentucky State Fair Entry Department.
 7. A 4-H computer-generated identification card (4LO-1150) is to be attached securely to items exhibited in Cloverville. Firmly attach the card. Neatly secure with tape or punch a hole in the corner of the tag and attach with string or a rubber band. Place the tag in a location that is to be seen by the public once the item is placed or displayed (or follow specific department guidelines). Do not attach the ID card with straight pins.
 8. Neither the State Fair nor the State 4-H Office will be responsible for any loss or damage to the exhibit or injury to the exhibitor or to the spectators; however, reasonable care will be used to prevent loss or injury.
 9. All entries must meet minimum standards to receive a ribbon. Exhibits unfit for show or of such low standard as to make questionable their right to compete will be declared ineligible, and no premium will be awarded. All entries must be identified with labels securely attached. (It is suggested that items with more than one piece be identified in detail on the back of the ID card, i.e., color, number of piece, description. Label each piece with name and county).
 10. The Danish system of judging will be used with the top entry in each class designated. Awards will be based upon a ratio of 4X for blue ribbons, 3X for red, and 2X for white in those classes eligible for premium money. There is no additional premium paid for Class, Grand or Reserve Champion, or Overall Grand, Reserve Grand Champions, and Grand Supreme. All premiums will be mailed directly to the 4-Her from the State Fair.
 11. All times stated are times in effect in Louisville (in the Eastern Time Zone, ET).
 12. The general rules apply to all 4-H exhibits, events, and activities. In addition, rules specified in each division also apply to that division.
 13. Cloverbuds are not eligible to enter or showcase items in Cloverville. There are no Cloverbud classes in the rabbit division. Cloverbuds may only enter non-competitive classes as outlined in the class descriptions of those permitting youth under the age of 9 years to participate.
 14. Exhibits will be judged as entered. Once exhibits have been entered in Cloverville, they may not be removed, repaired, or altered in any way as to enhance the award outcome.
 15. Premiums not used in 4-H work may be used for expenses for state champion Senior Judging Teams to national contests. Premiums not used in one

department of 4-H may be transferred to other 4-H departments, subject to the approval of the State Fair officials.

16. The decision of the judge is final.

FFA members making exhibits in tobacco, bees and honey, field seed and grain, or other divisions of the Fair must meet the same eligibility requirements as those exhibiting in the FFA Division.
2. An individual may participate in the same 4-H or FFA CDE provided the contest is not being conducted on the same day or in connection with the same event (i.e., State Fair or similar event.) This rule is the policy of 4-H and FFA.
3. All FFA entries (except livestock) will be registered electronically by the August 5th deadline. Instructions and web address for entries will be provided by the State FFA office. Passwords will be provided for all active FFA chapters to access registration.
4. Entries are to be made in the name of the FFA member who completed the work or project. A Social Security number or Tax ID number is required for each exhibitor. No checks can or will be mailed to the school.
5. FFA exhibits in the FFA Department (other than livestock) will not be required to pay an entry fee. This is also true for FFA entries in the Tobacco Department.
6. Neither the State Fair nor the FFA Department will be responsible for any loss or damage to the exhibit or injury to the exhibitor or to the spectators; however, the utmost care will be used to prevent loss or injury.
7. FFA exhibits in the South Wing will be accepted Tuesday, August 13 and Wednesday, August 14 and must be in place by 12:00 p.m.(noon), August 14. Exhibits will be released after 9:00 p.m. Sunday, August 25 or 9:00 a.m. - 5:00 p.m., Monday, August 26. FFA is not responsible for exhibits left later than 5:00 p.m., Monday, August 26. All times listed are Eastern Time (ET).
8. Teachers of agriculture will be expected to accompany FFA members with exhibits, to assist in penning their livestock, and to assist in displaying other exhibits. Teachers should be present when the livestock entries are shown.
9. Trucks and trailers for the removal of FFA exhibits in the South Wing will be admitted to the Access Road to South Wing Loading Dock on Sunday, August 28, if they have the special E9 Loading Dock Pass that is distributed when entries are made. Drivers and occupants must pay regular admission or present exhibitor's tickets. (Gate 4 entrance places you closest to this area.)
10. Any premiums not used in any class (except livestock) may be transferred to any other class (except livestock) where there are more entries than premiums offered, subject to approval of the State Fair Board.
11. The decisions of the judges are final.
12. By decision of the KAAE Executive Committee, results of all CDEs are final and will not be changed after scoring is completed. (This applies to both computer and manually scored contests.)
13. Errors made by FFA members in filling out Scantron sheets are the responsibility of the FFA member and are not to be changed or corrected by the tabulation committee.
14. Any use of a communication device during a contest will be grounds for disqualification. Communication devices must be turned off during the contest and will not be used at any time.
15. NOTE: The Tobacco Department will be accepting FFA Tobacco entries only on Tuesday, August 16 from 9:00 a.m. to 6:00 p.m. Tobacco exhibits must be pre-entered in the online system by August 5.

JUNIOR MARKET GOATS AND WETHER DAM GENERAL RULES

1. To be eligible to compete at the Kentucky State Fair, all 4-H/FFA market goats and wether dams are required to compete in one of the pre-fair districts shows sponsored by the Kentucky Department of Agriculture, Shows and Fairs Division. Qualifying shows are subject to Kentucky Department of Agriculture, 4-H and FFA guidelines. Novice exhibitors of market animals are not required to attend a qualifying show.
2. All 4-H/FFA market goats and wether dams that will participate in market livestock shows in Kentucky (i.e., County Fair, District Livestock shows, etc.) are required to be tagged with Kentucky Uniform Identification Program (K.U.I.P.) tags. K.U. I. P. tag numbers shall appear on the State Fair entry form. All market goats and wether dams that will be tagged with K.U.I.P. tags will be required to have samples taken for DNA testing.
3. Joint ownership of market animals entered into the Kentucky State Fair is allowable up to the point of entry, provided all requirements for joint K.U.I.P. nomination and tagging have been met. The child exhibiting the animal in the market show must be declared at entry time.
4. Validation of market goats and wether dams (tagging with K.U.I.P. tags and collection of DNA samples) shall be completed by May 15, 2024. 4-H exhibitors shall have completed their six (6) hours of educational training prior to the time of validation. Validation of market goats and wether dams is not considered entry in the State Fair. A Kentucky State Fair entry form should be submitted, along with entry fees by July 11.
5. An exhibitor may enter a total of six (6) market goats; an exhibitor may only exhibit four (4) market goats. Exhibitors shall pay the entry fee of \$15.00 on each market goat (DNA fee included). Substitutions will not be all owed in the 4-H/FFA Youth Market Goat Show or the 4-H/FFA Youth Wether Dam Show.
6. Exhibitors are **required to declare at time of entry** which division their animal will be entered – Wether Dam or Market Goat.
7. The Wether Dam Show will be divided into two (2) divisions: Fitted and Slick. Fitted does are required to have a least a ½ inch of hair to be eligible. Animals may not switch from their selected division after the arrival time is closed. Does exhibited in the Wether Dam Division may not be shown in the Market Goat Division.
8. All exhibitors may enter market wethers or market does in the Market Goat Show. All market kids shall be castrated (banded or surgically removed; clamping is not allowed).
9. No muzzles will be allowed.
10. Inducted cryptorchids (short scrotum kids) and buck goats may not be shown. Any wether kid showing signs of secondary sex characteristics may not be shown.
11. The official health inspection of goats will take place at the Goat Barn entrance upon arrival. Animals that do not pass inspection will not be admitted to the barn. To facilitate this inspection, all market goats shall be sheared to ¼ inch of hair or less before entering the barn. All blankets, tubes, or other coverings must be removed before inspections.
12. Market goats and wether dams will be shown by weight. The weight indicated on the weight card will be the declared show weight of the animal.
13. Exhibitors entered in the Market Goat Show, Wether Dam Show, and Novice Market Goat Show are required to check in between 8:00 a.m. and 10:00 a.m. on Monday, August 19 to receive weight cards. Market Goats and Wether Dams will be shown by weight. Market Goats, Wether Dams, and Novice Market Goat weights should be submitted via online submission form (QR) by 1:30 a.m. on Monday, August 19. All goats shall weigh a minimum of 40 pound on show day. The last weight submitted will be final. There will be no changing of weights after the form has closed.
14. The first, second, and third place market goats and wether dams in each class will be weighed directly out of the show ring. Goats weighing more than 5 lbs. over their declared weight will be disqualified. No premiums will be paid on disqualified animals.
15. **NEW in 2024:** In the event the Champion and Reserve Breed/Division Champion are removed during the Top 5 selection of Championship Drive, a third overall from the Breed/Division can be in contention for the Top 5 Overall Awards. With this, each species market show will select a Top 3 in each Breed/Division, the third overall award will be given no additional premiums or awards and is not required to stay for the Championship Drive. However, in order to represent the Breed/Division during the Top 5 selection the exhibitor/animal will need to be present during the Championship Drive. When Breed/Division Champion and Reserves are selected, the judge may choose the 1st, 2nd, and 3rd place animal out of one class if they see fit.
16. Trophies will be awarded for the best 4-H/FFA Youth market goat herdsman and the best county/groups at the Fair. A committee appointed by the 4-H/FFA Youth Market Goat Superintendent will determine the award winners with consideration given to the following criteria:
 - Originality of the exhibit
 - Neatness and attractiveness of the exhibit, pens and aisles
 - Appearance of animals and exhibit at all times
 - Evidence of pride in 4-H/FFA and goats

3. Non-ownership animals are eligible. The required paperwork shall be submitted to UK Dairy Extension for 4-H members or Kentucky FFA for FFA members by June 1. The National breed association youth lease program animals are also eligible if approved and recorded by the breed association by June 1. The counties will also need to provide the show committee with their tax ID number by the end of check-in.
10. The Dairy Herdsman Special Award will be re-named to The George Heersche Jr. Memorial Award. Dr. Heersche was a Dairy Extension Specialist for more than 40 years at the University of Kentucky. He educated numerous youth and students through mentorship, dairy education programs and 4-H activities. The awards will be judged on the following points.

Category	Points
Neatness and attractiveness of exhibits, bedding, signs, etc.	30
Appearance of animals at all times	30
Cleanliness of aisle behind cattle	15
Exhibitor's behavior while at fair	15

2024 KENTUCKY STATE FAIR - 4-H, FFA, & JUNIOR LIVESTOCK

FFA Youth exhibits. Open show animals not in the 4-H/FFA Youth show, in the same herd, should be separate from the 4-H/FFA Youth animals within the exhibit. The area to be judged should be designated as 4-H/FFA Youth animals. Trophy awards will be presented to the top seven winners.

12. Production Awards – Three production awards will be presented in each breed to the Three-Year Old, Four-Year Old, and Five-Year Old and Older cow with the highest most recent actual 305-day record on a lactation completed since last year's Kentucky State Fair. Cows competing for these awards must currently be on DHI test (type of test codes 00-31) and receive a blue or red ribbon at this year's Kentucky State Fair. The owner should present an individual cow page (DHI-203) or a DHI-200 or DHI-210 monthly report verifying this lactation to the State Fair 4-H/FFA Dairy Show Committee. The cow shall have been owned by the exhibitor for the last six months of the record. The Kentucky Dairy Development Council will provide cash awards for the winner of each class in breed.
13. The breeder of an animal is the person who owned the dam at the time the animal was conceived. Animals used for Premier Breeder points or shown in the Best Animal Bred and Owned by Exhibitor classes must have the youth's name listed as breeder on the registration paper.
14. Dairy Skillathon - Wednesday night, August 14 (time to be announced). There will be three age divisions. Larissa Tucker will provide additional information to the counties and dairy youth exhibitors.
15. Dairy Fitting and Showmanship Contest – This contest is open to any 4-H/FFA Youth dairy exhibitor who has animals in the show. 4-H/FFA exhibitors shall show their own animal in the showmanship contest. If more than one youth own an animal, a youth should have shown the animal in the regular class to show the animal in showmanship. If a youth is the overall showmanship winner in a breed, they cannot enter showmanship in another breed. Showmanship participants are expected to wear white. Each breed showmanship contest will be divided into four divisions:

Division I	Members born in 2012, 2013, 2014
Division II	Members born in 2010, 2011
Division III	Members born in 2007, 2008, 2009
Division IV	Members born in 2006 and older

16. Each breed will name a winner in each age division. Dairy Fitting and Showmanship Contests will be held at the conclusion of the shows. Each Showmanship division will show together, if there is only one participant in that division and the judge will select a winner in each breed (for example: Ayrshire and Guernsey Division I will show at the same time and a winner from each breed will be selected and all placed accordingly). If youth show both breeds, they will be required to choose one showmanship. Youth are welcome to participate in showmanship in more than one breed if the

classes are not being shown at the same time.

17. Breed winners will receive a \$50 cash award provided by the Kentucky Purebred Dairy Cattle Association, which will be presented during the Commissioner's trophy competition. Divisional winners will receive \$25 and a rosette, and ribbons will be given to other places. A breed winner will be selected after all divisions are completed.

Fitting and Showing Contest Finals

Kentucky Department of Agriculture Trophy – The Commissioner of Agriculture will award a trophy to the 4-H/FFA Youth exhibitor who wins the overall contest.

The finals of the showmanship contest will take place Friday, August 16. The showmanship champion from each breed will compete for the Kentucky Department of Agriculture Commissioner's Trophy. The Commissioner of Agriculture or his representative will be present to make this presentation.

Supreme Champion Heifer & Cow Breed champions will compete on August 16, 2023 at approximately 3:00 pm.

K.U.I.P. tag numbers must appear on the State Fair entry form. All market lambs that will be tagged with K.U.I.P. tags will be required to have samples taken for DNA testing.
3. Joint ownership of market animals entered into the Kentucky State Fair is allowable up to the point of entry, provided all requirements for joint K.U.I.P. nomination and tagging have been met. The child exhibiting the animal in the market show shall be declared at entry time.
4. All market lambs shall be owned by, in physical possession and continuous care of the 4-H/FFA member on or before May 15, 2024 through the closing day of the State Fair of the current year, as specified in rules contained in the "Ownership, Possession, and Care Rules for the Kentucky 4-H/FFA Youth Breeding and Market Livestock Projects.

The Kentucky State Fair 4-H and FFA Championship Drive is an event designed for the purpose of recognizing the division champions and reserve champions of each species and to select Grand Champion, Reserve Champion, 3rd Overall, 4th Overall, and 5th Overall from each species.

CHAMPIONSHIP DRIVE PROCEDURE

1. Division and Breed Reserve Champions will be introduced and paraded through the ring.
2. Division and Breed Champions will be introduced and set for the judge to select Grand Champion.
3. Once Grand Champion has been selected, any remaining animals owned by that exhibitor will exit the ring. The reserve behind that champion will enter the ring in contention for Reserve Grand Champion.
4. At the conclusion of Grand and Reserve Grand Champion, any remaining animals owned by either exhibitor will exit the ring. The reserve division behind the Reserve Grand Champion will enter the ring in contention for 3rd Overall. If Grand and Reserve Grand Champion are selected from the same division or breed, no other animal will enter the ring to represent that breed or division.
5. Once 3rd Overall is selected, any remaining animals owned by that exhibitor will exit the ring. The reserve division behind the 3rd will enter the ring in contention for 4th Overall.
6. Once 4th Overall is selected, any remaining animal owned by that exhibitor will exit the ring. The reserve division behind 4th will enter the ring in contention for 5th Overall.
7. **New in 2024:** In the event the Champion and Reserve Breed/Division Champion are removed during the Top 5 selection of Championship Drive, a third overall from the Breed/Division can be in contention for the Top 5 Overall Awards. With this, each species market show will select a Top 3 in each Breed/Division, the third overall award will be given no additional premiums or awards and is not required to stay for the Championship Drive. However, in order to represent the Breed/Division during the Top 5 selection the exhibitor/animal will need to be present during the Championship Drive. When Breed/Division Champion and Reserves are selected, the judge may choose the 1st, 2nd, and 3rd place animal out of one class if they see fit.

NATIONAL CODE OF SHOW RING ETHICS

Exhibitors of animals at livestock shows shall at all times deport themselves with honesty and good sportsmanship. Their conduct in this competitive environment shall always reflect the highest standards of honor and dignity to promote the advancement of agricultural education. This code applies to junior as well as open class exhibitors who compete in structured classes of competition. This code applies to all livestock offered in any event at a livestock show. In addition to the National Code of Show Ring Ethics, fairs and livestock shows may have rules and regulations that they impose on the local, county, state, provincial, and national levels.

All youth leaders working with junior exhibitors are under an affirmative responsibility to do more than avoid improper conduct or questionable acts. Their moral values must be so certain and positive that those younger and more pliable will be influenced by their fine example. Owners, exhibitors, fitters, trainers, and absolutely responsible persons who violate the code of ethics will forfeit premiums, awards, and auction proceeds and shall be prohibited from future exhibition in accordance with the rules adopted by the Kentucky State Fair. Exhibitors who violate this code of ethics demean the integrity of all livestock exhibitors and should be prohibited from competition at all livestock shows in the United States and Canada.

The following is a list of guidelines for all exhibitors and all livestock in competitive events:

1. All exhibitors must present, upon request of fair and livestock show officials, proof of ownership, length of ownership, and age of all animals entered. Misrepresentation of ownership, age, or any facts relating thereto is prohibited.
2. Owners, exhibitors, fitters, trainers, or absolutely responsible persons shall provide animal health certificates from licensed veterinarians upon request by fair or livestock show officials.
3. Junior exhibitors are expected to care for and groom their animals while at fairs or livestock shows.
4. Animals shall be presented to show events where they will enter the food chain free of violative drug residues. The act of entering an animal in a livestock show is the giving of consent by the owner, exhibitor, fitter, trainer, and/or absolutely responsible person for show management to obtain any specimens of urine, saliva, blood, or other substances from the animal to be used in testing. Animals not entered in an event that culminates with the animal entering the food chain shall not be administered drugs other than in accordance with applicable federal, state, and provincial statutes, regulations, and rules. Livestock shall not be exhibited if the drugs administered in accordance with federal, state, and provincial statutes, regulations, and rules affect the animal's performance or appearance at the event.

If the laboratory report on the analysis of saliva, urine, blood, or other sample taken from livestock indicates the presence of forbidden drugs or medication, this shall be prima facie evidence such substance has been administered to the animal either internally or externally. It is presumed that the sample of urine, saliva, blood, or

other substance tested by the laboratory to which it is sent is the one taken from the animal in question, its integrity is preserved, and all procedures of said collection and preservation, transfer to the laboratory, and analysis of the sample are correct and accurate and the report received from the laboratory pertains to the sample taken from the animal in question and correctly reflects the condition of the animal at the time the sample was taken, with the burden on the owner, exhibitor, fitter, trainer, or absolutely responsible person to prove otherwise.

At any time after an animal arrives on the fair or livestock show premises, all treatments involving the use of drugs and/or medications for the sole purpose of protecting the health of the animal shall be administered by a licensed veterinarian.

5. Any surgical procedure or injection of any foreign substance or drug or the external application of any substance (irritant, counterirritant, or similar substance) that could affect the animal's performance or alter its natural contour, conformation, or appearance, except external applications of substances to the hoofs or horns of animals which affect appearance only and except for surgical procedures performed by a duly licensed veterinarian for the sole purpose of protecting the health of the animal, is prohibited.
6. The use of showing and/or handling practices or devices such as striking animals to cause swelling, using electrical contrivance, or other similar practices is not acceptable and is prohibited.
7. Direct criticism or interference with the judge, fair or livestock show management, other exhibitors, breed representatives, or show officials before, during, or after the competitive event is prohibited. In the furtherance of their official duty, all judges, fair and livestock show management, or other show officials shall be treated with courtesy, cooperation, and respect, and no person shall direct abusive or threatening conduct toward them.
8. No owner, exhibitor, fitter, trainer, or absolutely responsible person shall conspire with another person or persons to intentionally violate this code of ethics or knowingly contribute or cooperate with another person or persons either by affirmative action or inaction to violate this code of ethics. Violation of this rule shall subject such individual to disciplinary action.
9. The application of this code of ethics provides for absolute responsibility for an animal's condition by an owner, exhibitor, fitter, trainer, or participant, whether or not he or she was actually instrumental in or had actual knowledge of the treatment of the animal in contravention of this code of ethics.
10. The act of entering an animal is the giving of consent by the owner, exhibitor, fitter, trainer, or absolutely responsible person to have disciplinary action taken by the fair or livestock show for violation of this Code of Show Ring Ethics and any other rules of competition of the fair or livestock show without recourse against the fair or livestock show. The act of entering an animal is the giving of consent that any proceedings or disciplinary action taken by the fair or livestock show may be published with the name of the violator or violators in any publication of the International Association of Fairs and Expositions, including Fairs and Expositions and any special notices to members.
11. The act of entering of an animal in a fair or livestock show is the giving of verification by the owner, exhibitor, fitter, trainer, or absolutely responsible person that he or she has read the IAFE National Code of Show Ring Ethics and understands the consequences of and penalties provided for actions prohibited by the code.
